

ADVOCATES PROGRAM

Helping Those in Our Industry Most in Need

We provide financial assistance to help with medical care, prescriptions, medical equipment, home repairs, shelter, food, utilities, and other basic needs for families who have a catastrophic or life-altering medical event. We are looking for partners to help get the word out.

The Floor Covering Industry Foundation (FCIF) is dedicated to providing financial support to industry employees during a life-threatening illness or injury. **We are looking for a contact person at your company to help get the word out about FCIF's grant program** and application process to flooring workers and their family members who are facing a medical crisis!

Each quarter, we will send an updated Corporate Toolkit with FCIF logos, success stories, newsletter content, posters, web banners, and social media content. You can distribute through your vendor relations, social media, newsletters, intranets, website, HR outreach, breakroom posters, and other internal & external marketing and communication efforts. The Advocate's job is to share these resources in the places that make sense for your company.

Our goal is to make sure that people who qualify for our financial assistance program know about FCIF. We provide direct funds to families who have worked in the floorcovering industry and are facing financial obstacles related to a serious illness, injury, or disability. FCIF's caring approach allows those in need to seek help with dignity and confidence.

Our beneficiaries have included:

- A creeler in a flooring manufacturing plant who has invasive stage 4 breast cancer that has spread to her bones
- A flooring installer and his teenage daughter who are both battling leukemia
- A lift-truck operator who had part of his foot amputated
- A sales manager whose husband has lung cancer and a brain tumor
- A shipping clerk whose 3-year-old daughter is deaf and has developmental delays requiring special therapy

2026 Corporate Toolkit Contents:

- FCIF Logo- in full color and all white
- Four digital ads in three different sizes – great for intranets
- Three social media graphics, including a social media carousel
- A printable 11x17 poster – great for your breakroom
- An 8.5x11 informational flyer – great to email out or add to New Hire Packets
- One FCIF Grantee Success story + video – great for newsletters or email blasts

Yes! – Sign me up to be a FCIF Advocate! I would like to have access to the Corporate Toolkit.
