

STRESSED ABOUT MEDICAL BILLS?

Check out the Floor Covering Industry Foundation's financial assistance program, which provides funds directly to flooring workers and their family members!

MEET CANDACE

A stacker and creeler in the flooring industry, Candace struggled to pay her family's bills after a devastating cancer diagnosis.

Thankfully, FCIF was able to provide financial assistance for rent, utilities and medical bills so that Candace was able to focus on the most important thing: getting better.
